## Sponsorship 2010

Keeping kids involved with physical activities is one of the most important things we can do for our youth as a community. BMX (Bicycle Motocross) is an exciting "Action Sport" where individuals can compete for trophies and learn at their own pace.

Santa Maria BMX is a non-profit organization that provides families a fun and rewarding experience. We are located at the Santa Maria BMX Elks Rodeo Grounds in Santa Maria. Our BMX Track relies heavily on volunteers and donations to support the operation of our track and our local BMX racing Team (Santa Maria BMX Racing). We have riders from ages 3 to 65 years of age, and include entire families who ride. Since the majority of our fees are forwarded directly to the NBL for sanctioning and insurance it is up to us to find other avenues to make our track and Team successful.

We would like to request your companies assistance in providing support for our local track, our local track State Team, or individual riders.

Donation and recognition can be made as follows:

### Track Donation

(Donation to be used to support improvements to the Santa Maria BMX Facility)

\$250 - \$500	Name added to our Track Site Sponsor Board
\$500 - \$1000	Name added to our Sponsor Board, Banner/Link added to our Web Page
\$1000 +	Name added to our Sponsor Board, Banner on Web Page, Banner at Track for 2010

### Team Donation (California State Team)

Seasonal cost minus travel expenses per member is \$500. Donation to the Team will help offset these costs and allow more of our members to compete in the State Competition. In 2009 we averaged 22 riders at each State Qualifier and finish the year in 4<sup>th</sup> place. This was quit an accomplishment when competing against Factory Teams.

\$250 - \$500	Name added to our Team Jersey
\$500 - \$1000	Name added to our Team Jersey, Banner/Link added to our Web Page
\$1000 +	Name added to our Team Jersey, Banner on Web Page, Banner at Track for 2010

### Sponsor a Rider Donation

Youth at Risk. Many of the youth in our community have a passion for BMX racing but can not afford the fees to participate in our local race program. A 500.00 donation to sponsor a rider will cover the license, practice, and race fees for a rider for one year. It will also provide the rider with a Helmet, Jersey and race pants.
